

REVOLVER TABLE

PRODUCT FACT SHEET

REVOLVER TABLE

DESIGN BY LEON RANSMEIER, 2018

Designed to accompany the family of Revolver stools, Leon Ransmeier's Revolver Table is made in powder coated steel and features the same curved edges and sense of symmetry. In terms of functionality, the circular footrest provides support, while hooks on the table legs enable coats and bags to be hung securely underneath. The table is available in different colours, and is suitable for a wide range of cafés, restaurants, and other public environments.

HIGHLIGHTS

- Part of a multifunctional family of bar stools and stools in a variability of colours and sizes.
- Its versatile presence makes it suitable for a wide range of public and residential environments.
- Qualified for contract use.

DIMENSIONS

DIAMETER Ø70 CM

HEIGHT 105 CM

MATERIALS

REVOLVER TABLE
Powder coated steel.

GLIDER
Adjustable glider. Suitable for most floorings which are not too sensitive.

CONSTRUCTION

The table is built with a knock-down technique, so it is easy to flat pack. The square legs are attached to the foot ring's top ring and tabletop with a total of 16 screws, which makes it extremely stable. Four adjustable gliders ensure a level surface, regardless of any uneven floors.

COUNTRY OF ORIGIN

China

COLOUR & FINISH

Please note that the colour codes are indicative.

BLACK

SKY GREY

LAVA RED

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
