CPH 20 ROUND TABLE DESIGN BY RONAN & ERWAN BOUROULLEC

Sharing the same characteristic angled legs as the rest of the Bouroullec brothers' Copenhagen range, the CPH20 table features a round tabletop that softens the engineered expression. The three-legged table frame comes in different sizes and is available with tabletops and frames in a variety of wood types, materials, and colours, with the possibility to select matching or contrasting combinations. Equally suitable for intimate meetings and larger, café-like environments, this versatile table has an ability to blend into private homes as well as public spaces.
